Presidential Levees. They are not very mischierous, because of their democratic character. All classes-high and low, rich and poor, old Clerk-Of course they could; they do and young-attend them, and the mennat present. The hours are certainly un- est man and woman present, so far as the necessarily long, but time will remedy personal right to be there, to see and be dress can be obtained, as well off as the Clerk-Generally from seven to half military gentleman who supports stare past in summer, and half-past seven to upon his shoulder-straps, the gentleman eight in winter, to seven and eight at in the civil service who bears the insignight. Then out of that you are allowed nia of nobility on his breast, or the high-

We had heard and read many descrip-Reporter-What do they come on those tions of these levees, but were never present at one of them until Friday even-Clerk-They must take their turn to ing last. We propose to give our experience there, although we feel conscious that the space allowed us in this letter is inadequate to anything likes full description of the affair. Under the escort of our friend G-

of Louisville, and his charming daughters, at 8 o'clock p. m. we arrived at the vestibule of the White House and vere achored like the Entrance-hall, which was already crowded with persons both sexes. The ladies were directed to the ladies' dressing room, the entrance to which was at the far end of the hall and we were instructed to deposit our hats, overcoats and umbrellas at the cheek room. This we did with great difficulty, for we had to "take our turu" and two dollars instead of four-the rest behind a hundred or more persons who were pushing forward, clamorous to be waited on by the three or four servants to get to the "reception line," caused much unnecessary confusion. Taking onr place, we were soon pushed by a erowd behind as great as that before, and when after about a half-hour, we did get our cheeks, we found nearly as much trouble to get out as to get iu. Wo soon discovered that modesty had nothcareful man might commit the whole of ing to do with the matter, and in approaching the door of the ladies' dressug room, partly by main strength, we made good progress until we got near the entrance of the principal hall, where the line of march was formed. Here was a jam-a regular equeeze-in which many a beantiful toilette was ruined, and many a long train of rich silk and lace, converted into a carpet or foot mat. Ouce in a while we would come across whose strength we could not cope, and for a time of course we had to give way, suit of rooms which led to the Blue Room
